Time	Info From	Info To	Details
1244	Bernier	I/C	interdiction @ check points, how's that going? are we able to execute?
	I/C	Bernier	yes X8 Metcalfe: unable to interdict due to crowds. EGT sent in.
	Bernier	I/C	want options EGT @ check points? education. if we don't have those resources, we will look @ other options.
	Springer	Bernier	concerned about crowd dynamics - police gone, not restricted products. don't want to increase tensions.
	Edwards	Bernier	POU resources: increased directions for interdictions, decrease of POU presence. not sustainable.
	I/C	Bernier	messaging out to all other agencies was increased.
	OPP		- we confirmed messaging. (increase of enforcement)
1249	Edwards	Bernier	POU messaging is not clear.
	Bernier		unmanageable, decrease in POU not safe to message.
			NRA: does not make sense to continue. what about later.
			CSET?
	I/C		no #s for CSET.
	Bernier		step up EGT?
	I/C		2 EGTs, one at counter protest + one in Theatre of operations
	Bernier		Education piece. (moving to)
	I/C		they have been doing Education interdiction of access.
	Edwards		can we look @ a later implementation?
	Bernier		what is it now?
	OPP		not enough GRT for us to engage.
	Bernier		no exclusion zone. not enough resources.
	I/C		deter, no interdictions (suggest)
	Edwards		suggest one check point (rolling)
	I/C		not enough resources

Time	Info From	Info To	Details
1254	Bernier	Edwards	can you make a plan for rolling check points.
	I/C		EGT - one is on duty ident. officer
	Edwards		may need to ask for resources.
	Bernier		we will relax today, not enough resources
	Springer		take photos, positive interactions
	OPP		can follow up later.
			getting message out consistent message, (Lucas will send email)
	Springer		Educate discourage, enforcement when assets are in place.
			for officer safety: targeted or localized enforcement.
	Bernier	I/C	EGT w/ Soco , have a dedicated team, EGT w/ Soco to do targeted enforcement @ check points. (Speak to Palmer about targeted enforcement).
1259	I/C	Bernier	we have been embedding EGT w/ POV to address issues as they pop up.
1303	I/C		about 30 traffic check points. w/ soft perimeter
	Drummond	I/C	pausing fuel interdiction.
1304	I/C	Edwards	we should be focusing on the trucks that are fueling the jerry cans. crowds are too big & we need to try to interdict after the fact. (intercept after they have left)
1306	OPP	I/C	any message specific for a consistent message to our partners for push out
1306	Bernier	I/C	Send messaging to Bernier + Drummond
1309	Reeve	I/C	400 Protesters have removed all barriers from Cenotaph. they are marching around the Cenotaph. Public works asking to go in to get fencing.
	I/C	Reeve	wait on fencing recovery. until later
